Kaido HOSTEL
OTATE

Shichikashuku Town where the old Japanese village remains

You could hardly say this is a convenient and accessible place.

It is 50 minutes away from the nearest station and 15 minutes from the only convenience store.

But the glorious view of the good old Japan still remains here.

Once you see it, you will be deeply moved, and it will take your breath away.

Kaido HOSTEL OTATE is a place where you can touch Japanese traditional cultures through activities and programmes.

Why not experience the good old Japanese life with us in Shichikashuku?

Formerly a primary school in Yunohara, Shichikashuku town, is now extensively refurbished and given a new life as a HOSTEL.

A wide range of activities and programmes are available to help put you in touch with nature and culture in Shichikashuku.

An ideal place for social clubs or groups to use as a base for a day bathing trip or a meal together.

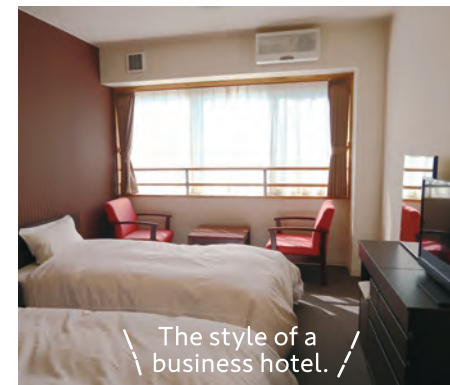

At Kaido HOSTEL OTATE you can meet different people and experience a traditional Japanese town, while appreciating Shichikashuku's nature, culture and traditions.

For groups and social clubs.
